

Have you got a Carers Card?

Exclusive free scheme for unpaid carers in East Sussex

The Carers Card does three things:

1. Identifies you as a carer, and that someone depends on you in an emergency.
2. The option to connect to a back-up respite plan.
3. A discount card, giving carers savings at businesses across East Sussex.

Sign up online, or contact us to request your Carers Card.

No one left to care alone
