

EAST SUSSEX CARERS CARD DIRECTORY

Businesses have signed up to support local carers with offers or discounts through the East Sussex Carers Card Scheme. You can use your card at any of the businesses in this directory to receive special offers and discounts; look out for the Carers Card badge in shops, restaurants and more...

You must mention to the following businesses that you qualify for the carer's discount and show your Carers Card when making an enquiry, booking or paying.

Please note: We want to offer you as many benefits as we can but this does not mean we are recommending or endorsing any of the services, groups or organisations featured. We assume that you will make your own decisions about whether Carers Card offers are appropriate for you. The offers available to carers are subject to change and are added to regularly. Please ensure you read all terms and conditions.

If you experience any difficulties in using your Carers Card please let us know. Call Care for the Carers on 01323 738390 or email info@cftc.org.uk
